GOD SAVE THE QUEEN

OPENING HYMN

Great Lord of wisdom, life and light,
Before the hills were founded
Thy quickening breath dissolved the night
And stirred through deeps unsounded.
Beneath Thy hand the formless earth
And ocean rolled asunder,
And in Thy likeness man had birth,
Thy crowning work and wonder.

Through that grey dawn Thou calledst him,
Untaught but not unheeding,
His feet were faint, His lamp was dim,
Yet faith discerned Thy leading.
Age after age and line on line,
Thy book unfolded clearer,
Till, like the flush of morn divine,
Thy Son proclaimed Thee nearer.

His word from East to slumbering West
Went out for all creation :
Our far-off islands woke and blest
Thy name with adoration.
We kneel where our forefathers knelt,
They trod these courts before us,
Unseen, though near, our hearts have felt
Their blessings wafted o’er us.

We bless Thy name for one and all
Who founded for Thy glory
Each ancient school, each minster tall
To teach mankind Thy story.
May we, their sons, our lamp display
Of love and wisdom burning,
Till twilight melt in golden day
At our dear Lord’s returning.
